Idling Reduction Signs

These signs are designed for posting in school driveways and parking lots to remind bus drivers and parents not to idle unnecessarily. All signs are 0.08 gauge aluminum, engineering grade reflective sheeting, 18" high by 12" wide with two holes for mounting on a post, wall or fence. Post not included.

(A) Idle-Free Zone Sign – Lettering is white on a blue background with a red “no” symbol.

Quantity: _____

(B) 5 Minute Idling Limit Sign – Lettering is red on a white background.

Quantity: _____

Idling Reduction Pledge Cards

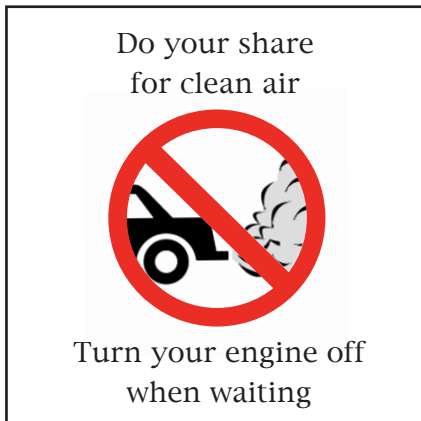

Packaged in sets of 50, pledge cards are available for classes participating in the Idling Reduction Pledge Activity. Printed on recycled paper.

Quantity: _____

(In multiples of 50)

THE GREEN TEAM Idling Reduction Signs and Materials Application

Static Sticker Windshield Decals

These 3" x 3" decals can be distributed to drivers and affixed to the windshield as a reminder not to idle. The decal should be placed in the lower left corner of the windshield so as not to obscure visibility. The decal adheres without adhesives and is removable. Consider providing these to students who return signed Idling Reduction Pledges.

Quantity: _____
(In multiples of 50)

This is a project of the Executive Office of Environmental Affairs with support by the Massachusetts Department of Environmental Protection

Bumper Stickers

For display on cars, buses and municipal vehicles. Consider providing these to students who return signed Idling Reduction Pledges. 3"x12".

Quantity: _____
(In multiples of 50)

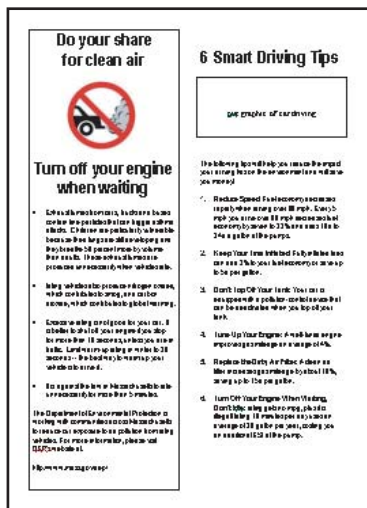

This is a project of the Executive Office of Environmental Affairs with support by the Massachusetts Department of Environmental Protection

School Bus Dashboard Stickers

This 4"x 8" removable sticker can be displayed on a school bus driver's dashboard to remind the driver and educate students about clean air initiatives.

Quantity: _____
(In multiples of 50)

Palm Cards

These informational cards can be distributed in classes and at public events at school and in the community. 3.5" x 8.5".

Quantity: _____
(In multiples of 100)
