To help us evaluate the effectiveness of the Green Team Idling Reduction Signs and Materials distribution program we would like to know if the materials are in use, and, if so, how they have helped your school's Idling Reduction Program. Please complete this form and return it via fax, mail or e-mail to the address on the letterhead.

School Name: _____ Date: _____

Address: _____ City: _____ Zip: _____

Contact _____ Title: _____

Telephone: _____ Fax: _____ Email: _____

Please confirm the amount of materials you received...

<u>Quantity</u>	<u>Date Received</u>
• Idle-Free Zone Sign _____	_____
• 5 Minute Idling Limit Sign _____	_____
• Idling Reduction Pledge Cards _____	_____
• Static Sticker Windshield Decals _____	_____
• Bumper Stickers _____	_____
• School Bus Dashboard Stickers _____	_____
• Palm Cards _____	_____

1. Are all the signs your school received from the Green Team currently posted?

2. Have the materials been distributed to your students, their families and/or the school community?

3. If any signs or materials you received are not being used, please describe the type and quantity of the items not in use and explain:

4. Is this a new or expanded Idling Reduction program for your school? ____ New ____ Expanded

5. If the material your school received helped your school start or expand an Idling Reduction program please describe:

6. Please provide a comment about the Green Team program or the Idling Reduction materials your school received that the Department of Environmental Protection may use in upcoming Green Team newsletters, reports or outreach materials:
