

# THE GREEN TEAM Idling Reduction Pledge

In our classroom we are learning about the benefits of clean air and actions that we can take to improve air quality. One way you can ensure cleaner air in our community and around our school is to turn off your vehicle's engine when waiting to pick up your child or running errands.

Please sign and return the pledge below to let your child know that you are joining with other parents in our school's GREEN TEAM effort to improve air quality and help everyone breath easier. By reducing idling you will:

- **Protect students, school staff and drivers from harmful exhaust fumes**
- **Reduce air pollutants that contribute to smog and global warming**
- **Reduce fuel consumption**
- **Reduce engine wear and tear**
- **Save money on fuel and engine repairs**

*Brought to you by the Massachusetts Department of Environmental Protection*
